

FROM VISION TO PERFECTION

FIRM PROFILE

Introduction

Established in 2023, Space Desire Interiors began with a humble factory setup near Vellore focused on customized bedroom furniture and small scale interior works. Fueled by dedication, craftsmanship, and a passion for thoughtful design, we quickly expanded our presence across the Vellore region spreading towards the entire erstwhile North Arcot District. Our passion took us further to the ever vibrant city of Bengaluru and timeless classic city of Chennai.

In a short span, we've successfully completed 30+ residential projects, earning the trust and satisfaction of homeowners who value both function and style. Every project — big or small — is delivered with attention to detail, material clarity, and timely execution.

Whether you're dreaming of a modern kitchen, a cozy living room, or a complete home transformation, Space Desire Interiors is your trusted partner in turning ideas into reality.
